Planning Commission Land Use Work Session Continues on
March 17, 2005

The Planning Commission work session will be held in the Council Chambers in Town Hall.

Please be advised that there will be several significant agenda items scheduled before the Town Plan discussion. The regularly scheduled meeting begins at 7:00p.m. The work session will begin 8p.m. or later depending upon the length of the regularly scheduled meeting.

This Planning Commission work session is preparatory to the public hearings, which will be held by the Planning Commission and Town Council. All meetings are open to the public; however, work sessions are typically intended to cover the material and allow sufficient time for commission discussion.
